ABOUT US

USA Land and Ranch was started in 2013 by Dirk van Reenen Sr. in Amarillo, TX. The one-person realty company has now grown to two, and is soon to double again. Focused on customer satisfaction and service to the client, our Realty house is great for buyers and sellers alike.

Career Opportunities

We are seeking licensed real estate agents to join our growing team. The professionals at USA Land and Ranch have unlimited earning potential. As a member of our team, you have the ability to determine your own hours, schedule, and income level. Want to join? The first step is moving out of a role that works for someone else and stepping into a role that works for yourself. This is a 1099 contract position with 100% ability to earn as much or as little as you would like. Part-time or full-time availability. With the ability to learn the real estate industry from the ground level up, you can set yourself on a career path that will carry you far beyond the average 9-5 grind. This is a unique opportunity to join an established company on the ground-level as it begins its expansion.

"We pledge to conduct business at the highest level of integrity, while employing creativity and determination to strive for client satisfaction."
