Our New Additions

USA Land and Ranch originated in 2013 with only one individual. It doubled in 2018 to two, and has now doubled again to four in June 2019!

Trent Jones

Trent was born and raised in Amarillo where he has spent his entire life. He is passionate about the people and the land of the Texas Panhandle. He has attended trade school for both welding and horseshoeing, and uses these skills throughout the Panhandle in addition to working in manufacturing at Pantex. Trent recently graduated from Americas Auction Academy in January 2019 and received his auctioneering license in March 2019. He graduated from the Professional Ringmen's Institute in May 2019. He is currently studying to pass the Texas Real Estate Exam and is looking forward to using these newly acquired skills to help grow the client base in the farm and ranch land sector.

"We are very excited and proud to welcome Trent Jones and Kevin Baker to our team!"

-Dirk van Reenen
